SCHOOL OF ECONOMICS, BUSINESS ADMINISTRATION AND LEGAL STUDIES

ANNOUNCEMENT

Admission of Graduate Students “MSc in Bioeconomy Law, Regulation and Management”

1. The School of Economics, Business Administration and Legal Studies of the International Hellenic University invites interested parties to apply for the Postgraduate Programme of Studies "MSc in Bioeconomy Law, Regulation and Management" for the academic year 2017-2018. All courses are taught exclusively in English, whereas the courses in the Postgraduate Programme "MSc in Bioeconomy Law, Regulation and Management" will be conducted through flexible learning methods combining the traditional face-to-face education with distant learning. Academic Supervisor and Director of the Postgraduate Programme of Studies is Dr Fragkiskos Kolisis, Emeritus Professor of the School of Chemical Engineering (Chemeng) of the National Technical University of Athens (NTUA).
2. The post graduate studies for this MSc programme lead to the acquisition of a Master's Degree. The duration of the studies depends on the kind of stream being chosen by the students. This stream is determined by the nature of the undertaken dissertation (experimental or non-experimental dissertation). For students who will choose a non-experimental dissertation, the full-time attendance of taught courses for two academic semesters and the preparation of a master's dissertation for one more semester are required. For those who will choose an experimental dissertation, the programmes curriculum requires the full-time attendance of taught courses for two academic semesters plus two academic semesters for the preparation of the master's dissertation. For students who wish to attend the programme on a part-time basis, the programme gives this possibility upon their request. In this case, the duration of the MSc is doubled.
3. The International Hellenic University accepts, after a careful selection process, graduates from Greek universities or equivalent institutions from abroad and from Technological Educational Institutions in related subject areas under the provisions of Law 3391/2005, Article 4, paragraph 2, as supplemented by paragraph 2 of article 18 of Law 3577/2007.

The MSc in Bioeconomy Law, Regulation and Management is designed to provide knowledge and develop skills for those occupied in public or private services dealing with the consultation, management, studies of Biotechnological products and processes and willing to be involved in Bioeconomy. The programme is interdisciplinary and it has primarily a practical purpose. It provides legal and management expertise, directly usable in all groups of scholars. Those with legal education, business and economical background and those trained in relevant scientific and technological disciplines. The programme is directed to students and executives who desire to expand their specialization in the relevant fields.

4. The selection of postgraduate students will be undertaken in accordance with the provisions of current legislation based on the relevance of the subject of the candidate's first degree with the subject area of the postgraduate programme, the grades received in first degree qualifications, the grades received on the thesis and undergraduate courses related to the MSc in Bioeconomy Law, Regulation and Management, the candidate's certified proficiency in the English language, the candidate's curriculum vitae and recommendation letters.
5. Interested parties are invited to submit their application by October 31st, 2017 or until places are filled, by following instructions at the link <http://www.ihu.edu.gr/index.php/admissions.html>. Application documentation must include the following:
 - A detailed curriculum vitae
 - Copy of the first cycle degree
 - Copy of the transcript of grades
 - Certification of English Language proficiency is demonstrated by submitting one of the following titles proving very good level: IELTS (6.5 or above), TOEFL (90 or above), TOEIC (850 or above). In case of absence of these, other certificates are also acceptable which prove, however, excellent knowledge of English, according to those standards designated by the Greek Authority ASEP. Candidates who do not possess the relevant certification may submit an application on the understanding that, in order to be allowed to commence Postgraduate Studies, they must submit such a certificate by October 31st, 2017
 - Two recommendation letters in signed and sealed envelopes. Alternatively, the referees can send the signed recommendation letters to infoseba@ihu.edu.gr by their official institutional email address
 - Two passport size photographs
6. Further information is available from the Secretariat and the Programme Advisors of the School of Economics, Business Administration and Legal Studies of the International Hellenic University (tel. 2310 807528, 807520, web site www.ihu.edu.gr).

Thessaloniki, 28 June 2017

The Dean of the School

Emeritus Professor Giorgos Stamou
