

Admissions

Our admissions policy supports equality of opportunity. We are focused on building a student community from various backgrounds and national origin.

To be considered for a Master's programme, candidates are required to have:

- ▶ A good university degree from a recognised University
- ▶ An English language certificate with a good score (IELTS or TOEFL or Proficiency)

Ideal Career Path

An environmental manager is a specialist who coordinates the management of an organization's environmental performance. Employing organisations may be in the private, public or voluntary sector.

The programme supports students and professionals who aim for careers in:

- Environmental agencies, Institutions and NGOs
- Consultant agencies
- Accreditation and Certification companies
- Organisations specialised in geoenvironmental studies and projects
- Construction sector
- Green and Alternative Tourism market

The University

The **International Hellenic University (IHU)** is the first Greek **public** University where programmes are taught **exclusively in English**. It is located in Thessaloniki, a vibrant student metropolis.

We are focused on attracting leading academics and outstanding students from Europe and across the world. The IHU offers **full-scholarships** to exceptional prospective students.

Environmental Management & Sustainability

MSc in

Environmental Management & Sustainability

The Programme

The International Hellenic University's MSc in Environmental Management and Sustainability is designed to offer recent graduates a thorough understanding of theory and practice in the areas of sustainable development. The programme provides graduates, from various disciplines, with a key set of skills and the real world knowledge crucial to achieving success in their chosen career.

Specialisation Streams

- ▶ Environmental Management Stream
- ▶ Sustainable Tourism Management Stream

Environmental Management is a new way of doing business!

Programme Structure

The Core Courses

First Term

- ▶ Introduction to Environmental Science and Sustainable Development
- ▶ Business and the Environment
- ▶ Introduction to Environmental Economics and Policy
- ▶ Quantitative and Research Methods

Second Term

Environmental Management Stream

Students who choose to follow the Environmental Management stream are required to complete the following four courses:

- ▶ Environmental Impact Assessment
- ▶ Environmental Management Systems, Auditing and Assessment
- ▶ Environmental Assessment, CBA
- ▶ International Environmental Policy, Governance, Institutions and Stakeholders

Sustainable Tourism Management Stream

Students who choose to follow the Sustainable Tourism Management stream are required to complete the following four courses:

- ▶ Strategic Management in Hospitality and Tourism
- ▶ Strategic Marketing for Sustainable Tourism
- ▶ The Economics of Sustainable Tourism
- ▶ Sustainable Performance Measurement Systems in the Hospitality and Tourism

The Elective Courses (choice of four, indicative list)

- ▶ Corporate Social Responsibility Reporting
- ▶ Strategic Planning
- ▶ Environmental Legislation
- ▶ Industrial Ecology and Life Cycle Assessment
- ▶ Sustainable Production and Consumption
- ▶ Climate Change and Energy Strategies
- ▶ Sustainable Tourism Planning
- ▶ Alternative Tourism
- ▶ Destination and Event Development
- ▶ Entrepreneurship in Tourism and Hospitality
- ▶ An elective course from another IHU programme

Consulting Project

Students participate in a consulting project relevant to the Stream they have joined. In groups, students study an actual environmental problem of a particular company or organisation. Following analysis of the problem, the students prepare and present concrete and practical solution(s). This project supplants 2 elective courses

The Dissertation

The dissertation is an individual 10,000- word paper of original scientific work. The topic is chosen by the student with input and advice from a faculty member, who acts as supervisor.

Schedule

Duration of the Programme

1 year full-time (FT) or 2 years part-time (PT)
Teaching takes place **only during weekends**, once (PT) or twice (FT) a month except for August and September.
