Admissions

Our admissions policy supports equality of opportunity. We are focused on building a student community from various backgrounds and national origin.

- To be considered for a Master's programme, candidates are required to have:
- A good university degree from a recognised University
- An English language certificate with a good score (IELTS or TOEFL or Proficiency)

For admission inquiries contact us at:

The International-Oriented Careers Office

The IHU Careers Office is committed to providing professional guidance, resources, and opportunities to students to help them achieve their career aspirations on an international level.

The office has adopted a student-centered philosophy according to which each student receives individual attention and support in his or her every career concern.
