MSc in
Energy Law, Business, Regulation and Policy

The Programme

The International Hellenic University’s “MSc in Energy Law, Business, Regulation and Policy” has as its objective the provision of postgraduate level studies, specialization and experience in Energy Law, Business, Energy Policy, and Geostrategy, as well as the general regulatory intervention in the area of the energy sector as a whole. It offers a highly flexible qualification suitable for a wide range of career opportunities in many sectors.

Programme Structure (Three Terms)

During the first term, full-time students are required to follow 5 mandatory courses. During the second term, full-time students follow a further 4 mandatory courses and 2 elective courses. During the third term, work is dedicated exclusively to the Master’s Dissertation.

The Mandatory Courses

First Term

Second Term

▶ Cross-border Energy Trade: Energy Agreements (Production Sharing Agreements, Joint Operating Agreements) - Contracts, International Energy Transactions - Investment Protection

The Elective Courses (students choose two)

▶ Management and Design of Renewable Energy and Sustainability Systems
▶ Water Law & Policy
▶ Quantitative Methods for Energy and Environmental Economists
▶ Mergers and Acquisitions in the Energy Industry
▶ International & European Environmental Law & Policy
▶ Derivatives for Energy
▶ Recent Developments in Energy Law & Business
▶ Recent Developments in the Electricity Sector

The Master’s Dissertation

The Master’s Dissertation is an individual 12,000-word paper of original scientific work. The topic is chosen by the student with input and advice from a faculty member, who acts as a supervisor.

Schedule

Duration of the Programme
1 year full-time (FT) or 2 years part-time (PT)

Teaching takes place only during weekends, once (PT) or twice (FT) a month while written examinations commence on Friday afternoons.

Teaching of courses can either take place in a classroom or/and through distance learning as defined by current relevant legislation.
