

INTERNATIONAL HELLENIC UNIVERSITY
SCHOOL OF ECONOMICS, BUSINESS ADMINISTRATION AND LEGAL STUDIES

STUDY FOR A DOCTORAL DEGREE IN OPERATIONS & TECHNOLOGY MANAGEMENT

1. The School of Economics, Business Administration and Legal Studies of the International Hellenic University invites the submission of applications from candidates who are interested in studying for a PhD degree in the following research areas:
 - Designing and modelling healthcare systems and services, and evaluation of health technologies
or
 - Developing serious business games in operations management
or
 - Health Tourism: Design and evaluation of its supply chain
2. The School accepts holders of a Master's Degree from a Greek or foreign University in a discipline which, according to the Board of the School of Economics, Business Administration and Legal Studies of the International Hellenic University, corresponds to the level of expertise and quality of studies set by the School.
3. Applicants should submit the following documents to the Secretariat of the School of Economics and Business Administration no later than **18 March 2018**:
 - Application form giving the proposed subject of the doctoral thesis
 - Research project report in one of the three suggested topics
 - Copies of first and Master's degrees. If the Master's degree has not been obtained by the time of submission of the application, successful applicants must submit a copy of the Master's degree in order to begin the doctoral studies.
 - Confirmation of equivalence from the Greek NARIC service (www.doatap.gr) for candidates whose qualifications are from a foreign institution
 - Full CV including information on the candidate's studies, research or professional activity, his/her scientific papers and interests
 - Excellent knowledge of the English language (level C2)
 - Two reference letters
 - Formal declaration (under Law 1599/86) that the candidate is not enrolled in a Postgraduate (MSc or PhD) degree of another Department

Candidates who are able to commit to full-time attendance during their doctoral studies will be preferred. Physical presence will also be preferred.
