SCHOOL OF SCIENCE AND TECHNOLOGY

ANNOUNCEMENT

2nd Round Admission of Graduate Students

“MSc in e-Business, Innovation and Entrepreneurship”

The School of Science & Technology of the International Hellenic University, Greece’s only public University where all programmes are taught exclusively in English, invites interested parties to apply for the postgraduate programme of studies “MSc in e-Business, Innovation and Entrepreneurship” for the academic year 2015-2016. The academic staff comes from Universities in Greece and abroad.

1. The postgraduate studies for this MSc programme lead to the acquisition of a Master’s Degree. The programme curriculum requires the attendance of taught courses for two academic semesters for full-time students and the completion of a Master’s dissertation. The duration of the programme is 14 months. There is also the possibility, upon request, of attending the programme on a part-time basis. In this case, the duration of the MSc will be 26 months.

2. The International Hellenic University accepts, after a careful selection process, graduates from Greek universities or equivalent institutions from abroad, as well as from Greek Technological Educational Institutes in related subject areas according to Law 3391/2005, Article 4, Paragraph 2, as modified through Paragraph 2 of Article 18 of Law 3577/2007.

3. The “MSc in e-Business, Innovation and Entrepreneurship” aims to provide graduate level studies and its objective is e-Business. It is targeted at graduates of Higher Education as well as professionals and executives of businesses and organizations who wish to broaden their knowledge in a combination of technological and business issue such as management of innovation, product design and services, digital marketing, the development and financing of start-ups, digital technologies and e-business with the aim to activate them within the rapidly developing environment of digital business.

4. The selection of postgraduate students will be undertaken in accordance with the provisions of current legislation based on the relevance of the subject of the candidate’s first degree with respect to the subject area of the postgraduate programme, the grades received in first degree qualifications, the grades received on the thesis and undergraduate
courses related to the “MSc in e-Business, Innovation and Entrepreneurship”, the candidate’s certified proficiency in the English language, the candidate’s curriculum vitae and recommendation letters.

5. Interested parties are invited to submit their application to the Secretariat of the School of Science and Technology of the International Hellenic University by October 15th 2015 or until places are filled.

Application documentation must include the following:
• Application form (available for download from website [www.tech.ihu.edu.gr](http://www.tech.ihu.edu.gr))
• Copy of the first cycle degree
• Copy of the transcript of grades
• A detailed curriculum vitae
• Certification of English Language proficiency is demonstrated by submitting one of the following titles proving very good level: IELTS (6.5 or above), TOEFL (90 or above), TOEIC (850 or above). In case of absence of these, other certificates are also acceptable which prove, however, excellent knowledge of English, according to those standards designated by the Greek Authority ASEP. Candidates who do not possess the relevant certification may submit an application on the understanding that, in order to be allowed to commence Postgraduate Studies, they must submit such a certificate by October 16th, 2015
• Two recommendation letters
• Two passport size photographs

Further information is available from the Secretariat and the Programme Manager of the School of Science & Technology of the International Hellenic University (tel. 0030 2310 807501).

Thessaloniki, 21 January 2015

The Dean of the School

Professor Ioannis Vlahavas
