*The warmest of Seasonal Greetings  
from the  
International Hellenic University's  
faculty, students, and staff!*

**Our Library's studious Christmas tree!**

## Highlights

### Induction 2012: more than double the students

More than 300 students from 18 countries began their postgraduate studies at the International Hellenic University on a sunny day in September. The President, Professor Costas Th. Grammenos, addressed a warm welcome to all of them: "excellence" was the key word of his speech. [Watch a short video here.](#)

## University News - What we've been up to

- The International food club organised an amazing Christmas party on Monday evening at IHU!
- Student Competition Ennovation 2012 - First Place for IHU Student Team with Social Green: Social Green is a socially aware recycling system that provides motivation to the users to engage in recycling. The system is comprised of smart-recycling terminals and the accompanying mobile and web application.
- An E.U. Initiative for the Development of Green Supply Chains for the Agrifood

Mr. Alexandros Tourkolias' talk at IHU on the 24th of October 2012

### Talk by the NBG Group Managing Director at the International Hellenic University

Speaking to a packed audience of businesspeople and senior executives, academics and students, Mr Alexandros Tourkolias analysed the economic conditions and events of the last five years, the impact of which was the dramatic contraction in investment reaching proportions of effective disinvestment.
